

# GREEN VILLAGE EXPERIENCE

The Green Village Experience is a short course designed to introduce participants to Crawley's environmental challenges and the Action to Zero plan. Through interactive discussions and hands-on experiences at the Crawley College Green Village, attendees will explore immersive technologies that visualise real-world environmental solutions.

## DATE

Bookable anytime

## DURATION

2 hours

## LOCATION

Crawley College

## COST

£20

## COURSE CONTENT

- 1 Global warming:  
The big picture
- 2 Understanding  
carbon footprints
- 3 Crawley's environmental  
targets & action plans
- 4 Retrofitting solutions  
for homes

## WHO CAN JOIN?

This course is suitable for individuals interested in retrofitting and local environmental initiatives for their homes or workplaces.
